

THE NEW

TWO-LITRE

Buy a car made in the United Kingdom

To a world growing more and more imperious in its demands comes a car of new calibre—the M.G. two-litre. The world wants speed. This two-litre is fast. The world wants comfort. This two-litre is spacious, luxurious. The world wants beauty in bodywork, style in line. This two-litre is an artist's achievement. One last point—the price! The new M.G. two-litre is not for millionaires only—it costs merely £375.

*Every two-litre M.G. has a ribbed aluminium sump and 100% oil filtration . . .
 . . . that's why the oil keeps so efficiently cool and bearings have such a long life.*
